Dear Grace Church Family,

Our annual parish meeting was well attended, and I want to thank each and every one of you who helped set up, attended, brought food or cleaned up. Well done!

Please stay involved as we move through the search process. We need additional ushers, lectors and intercessors. If you are willing to serve, please let me or Glenda know. This is usually only one Sunday a month and it is easy to swap dates when you have a conflict.

Please stay tuned to [www.graceanniston.org](http://www.graceanniston.org) Rector Search Page (found under the About Us tab) for updates on the search process. The plan is to have the committees posted in the next few days.

Thank you again and know that I am always available to you.

Faithfully,  
  
Pam Fite  
Senior Warden
