

Now that the parish profile is complete, the search committee's job has begun. We met with Sarah Sartain from the Diocese on Tuesday. Her recommendation was that the process be further opened by asking Grace Church parishioners if they are aware of anyone who might be a good candidate for the rector of Grace or if they have contacts with church leaders who might offer a source for a lead.

Email the rector's name and all contact information to the church office gracesecretary@cableone.net We will collect names until July 7, 2019 then on July 8 the names will be sent to the Diocesan Office in Birmingham for follow up.
