

Dear Grace Family,

One of the most important parts of our search for a new rector is surveying our parishioners as part of creating a profile of our parish to be sent to potential candidates. The survey can tell us who we are as a parish, and what qualities we are looking for in a rector. Each member of the parish 16 years of age or older should complete the survey. We began our survey on March 3. We are using an online survey and analytics company called Survey Monkey. The deadline to complete the survey is the end of the day on Sunday, March 17.

There are three ways to take the survey:

1. EMAIL -- Check your email for an invitation to take the survey. If you did not get an invitation but think you should have one, call the church office.
2. ON PAPER -- Pick up a printed copy of the survey in the church office or call the office and request that a survey be mailed to you.
3. MEET UP -- On March 10 and March 17, meet up with Survey Committee members and take the survey in print or online. We will be in the church library after the 8 a.m. services and the 10:30 a.m. services.

If you have any questions about the survey or its usage, please contact any member of the Parish Profile Committee:
